Paul Yeah right.

BC And um, I know I had nothin' to do with it I'm, I'm fuckin' my alibi is a hundred percent.

Paul Yeah okay.

BC You know.

BC Yeah.

Paul We, there's nothing we can't get fixed but the thing what they want, I know the bosses make sure is so nothin' can come back on us 'cause you know we work as a good group man –

BC Yep, yep.

Paul - and fuckin' hell mate I'm no fuckin' you know –

BC Angel.

BC Yeah, yeah, yeah.

Paul - but you gotta be honest man you gotta be one hundred percent honest to us you know –

BC Yep.

Paul - you can't fuckin' lie to us.

BC None of their subpoena's will work anyway. While it, 'cause I've changed my name legally –

Paul Yeah.

BC - the police force they said all the police forces will know, about it, so if they're sending out subpoena's out under Brett Cowan well I'm not that person any more.

Paul Yeah.

BC They can't come and say, it's just like no their paperwork's wrong.

Paul Yeah right okay. Yeah I don't know mate fuckin' -

BC Yeah I know that they can't come and, oh a subpoena I don't get arrested or anything it's just they pay for me, they flew me over and everything they pay for me ticket, pay for me accommodation, the whole lot.

Paul - the whole lot yeah. So what do they make you talk, like what do they make you do? They fuckin', you have to talk to 'em or somethin'?

BC Oh I go into fuckin', into coroner's court and be questioned by the coroner's solicitor.

Paul Yeah.

BC And by the Morcombe's solicitor, and by a, a police prosecutor's solicitor.

Paul Yeah.

BC Yeah um, but yeah. Said I fuckin' –

Paul Oh man as I said mate I don't give a fuck what you've done or fuckin' anythin' man as long as you do the right thing by us and you're honest to us all the time man.

BC Yep.

Paul And, mate you know we're, we, I don't know about it man so but we can make things go away man you know or, our bosses can you know?

BC Yep.

Paul And I, I've fuckin' talked you up man so um, 'cause you've never, you're not even fuck-you're not even, you're not even rude mate like every second word that comes out of my mouth's a swear word, you don't even swear dude you know.

BC Yep. UI.

Paul But you know what I mean man like so, you just do what I say and, we're in this as a business mate I mean we're mates you know so –

BC Yep.

Paul - there's noth-there's nothin' they can't, and that's the biggest thing what spun me out, there's nothin' they can't make –

BC Yep.

Paul - fuckin' go away man.

BC Yep.

Paul And you're honest to me mate you've told me about it you know.

Paul Yeah. You just gotta be honest because if anything comes back on the group, that's the thing –

BC Yep.

Paul - so you gotta let, let them know so, it's been –

BC Well I, I –

Paul - and they don't give a fuck what you've done mate.

BC - if I'd known that there was going to be another subpoena I would've said something to you or Jeff about it but –

Paul Yeah.

BC - I mean that was the first-'cause when he said it and I've gone nah that's already been and gone.

Paul Yeah okay. Yeah man fuckin' who gives a shit 'eh they'll look after us man. I'll ring Cassie.

BC Do you want me to, I was gonna say give Jase a ring too.

Paul Oh yeah I, I might UI. Good mate what's going on? Yeah it's good hey um I'm still going to meet up with you are you still somewhere near the city or? Yeah it's cool mate I'm um in Claremont so I'm just ah, me and Shaddo are just comin' in so um yeah we'll just meet up with ya, whereabouts, 'cause Leederville well that's the closest city so I can meet you there. Yeah I know the hippy club I've been there a few times. Yeah I think yep, that's sort of near the car park isn't it? Yeah I think I know it yeah all right, cool. Yeah that's easy to get to. Yeah no worries mate, cool I'll um, me and Shaddo are comin' so, we're only probably, I'm in Claremont now so what twenty minutes? All right mate no worries I'll catch you then. Okay see ya. Cassie UI, normal cash pick up man so.

BC Yep.

Paul I might just ring Jeff just to tell him I've got a, we might just go and have a chat to him.

BC Yep.

Paul So, just so you know, yeah don't fuckin' stress dude it's, it's all good mate. Hey mate how you goin'? Oh nothin' um, you know how I was gonna meet with you tonight, can we make it a bit earlier? Yeah I just gotta see ya um, yeah just me and Shaddo um I just met up with our mate and he's got some paperwork, um and there's a little thing Jase has to do as well and I've just got somethin' to talk to you about just quickly. Yeah. Um I'm, I'm I haven't even seen her I've just gotta do a cash pick up with Cassie I was just making sure you're available that's all. Yep. Oh yeah, yeah, all right cool. Yeah I might be um an hour or so I just gotta meet with Cassie and I'm in Claremont and I gotta meet her in Leederville if that's okay with you? Is that all right with you or not? Yeah is that a hassle or not? All right no worries Jeff thanks. Thanks boss see ya, bye. Yeah thought I better, I'll just tell him 'eh and fuckin' yeah, but um mate we don't give a fuck dude so don't, don't worry man it's all right. That's it mate you're part of the brotherhood.

BC Yep.

Paul And that's, we're the best blokes in the world at cleanin' up shit you know, any hassles so. And he didn't say he'd give a fuck, Craig didn't give a fuck so –

BC Yeah well Craig seemed to think that it was all, don't worry about it.

Paul - yeah, that's what he was saying.

BC The bus is broken down –

Paul Ah fuck. Great skills but, Paul's driving again.

BC - oh I couldn't see I seen flashing lights but –

Paul Yeah I thought it was an indicator 'eh.

BC - UI yeah, if I'd have seen it I would've said get over in front when that car was turnin' before.

Paul Yeah.

BC So the bus has got a flat tyre why couldn't you drive through the intersection and –

Paul Yeah, that's right or go around the corner.

BC - UI around the corner.

Paul Instead of one of the most main streets in fuckin' Perth, blocking the whole thing. Oh geez. Yeah man, don't even fuckin' think about it dude I can see you thinkin' man.

BC I am I'm thinkin' about it but I'm not lettin' it get to me.

Paul Nah. Just pretend it didn't fuckin', he didn't say anything man. Look mate -

BC No well this, this is you know like, this it'd be the only thing that stuffs me up with youse, this'd be the only thing that stops me from -

Paul It won't mate.

BC - comin' in, comin' in with youse would be that.

Paul Mate take it from me dude it won't. I had a few fuckin' things they had to clean out too man and, they like people like you and me mate 'cause they know we're fuckin' not, and they know that we'll look after 'em because we're gettin' looked after you know.

BC Yep.

Paul So don't, don't fuckin' worry about it dude. I don't give a fuck. But they'll just fuckin' work it out -

BC Yep.

Paul - and go from there man.

BC Yep. And if they want me to go on a holiday for twelve months -

Paul Exactly man.

Paul Fuckin' I reckon that's the best part of the whole city in there 'eh. Like you know how when we drive out Kings Park you follow that road you go right through it through the scrub -

BC Yep.

Paul - and you come out where remember when we went to that car park that time?

BC Yep.

Paul And you can see out across the river and shit that's where you end up. (phone rings) Hey mate how you goin'? Yeah. Yeah that's cool. Just run out to the car park I'll ring ya when I get to the car park just run out wherever you are if you gotta take off? Yeah I know where that is. No that's cool man if you gotta go you gotta go. All right cool. Ah spewin', we'll catch up, I'll see you anyway and we'll catch up for a coffee anyway so, some other time, but cool. Okay mate. All right cool. See ya. Fuckin' she's busy now too. Do the cops fly you out to Queensland do they?

BC Hey?

Paul Do the cops fly you to Queensland?

BC Yeah.

Paul Fuckin' hell, wish they'd do that to me, go the Goldie straight up, surf.

BC Flew me over fuckin' and I told her when they book me ticket to fly back I said book me Qantas. I sat on a fuckin' plane all the way over and no drinks, no fuckin' food unless you pay for it out of ya own pocket.

Paul Yeah.

BC I was supposed to collect all me um outlays and everything as well, whatever I fuckin' bought over there was all going to be paid for, food and all that sort of stuff.

Paul Oh yeah, yeah.

BC I never even, that's it.

Paul No fuck that.

BC Once I left over there it was just like, I was going to and it's like nah, cutting all ties with Queensland. The only ties I've got there are my parents and my kids.

Paul Yeah. It's a new home man.

BC Yep. Oh if I thought there was gonna be another subpoena for fuckin' court I wouldn't have changed me name. I would've left it what -

Paul That's right.

BC - I changed it because I thought that's it -

Paul New start.

BC - it's all fuckin' finished and done with I can change me name and if that name ever came up, me old name ever came up it's like nobody knows it.

Paul Yeah, yeah, yeah. Yeah. Yeah man, fuck as I said mate don't stress they don't give a fuck 'eh. If you wanna take the missus out Rokeby Road man and that goes down to Subi -

BC Yep.

Paul - fuckin' gold. Good restaurants and that down there. When you start gettin' money fuckin' shout her to a few fuckin' fancy restaurants and shit you know. If you're still with her.

BC Yeah me and Trace will always be friends.

Paul Yeah, no she's looked after you man.

BC Yep.

Paul Mate, I spent me whole life fuckin' before I was before these boys basically been by myself gettin' thrown between you know fuckin' here and Sydney.

BC Yep.

Paul And this is the first family I've ever had mate you know what I mean so, that's why it fuckin' means so much to me mate.

BC Yep.

Paul Because they've always looked after me from fuckin', from when I was doin' what you're doin' from that time, just same as you man you know.

BC Yep.

Paul So, so that's why it means so much to me and that's why I do everything they want me to do and they, they fuckin' call me in the middle of the night if I gotta do it I do it you know. And they always, Jeff always says to me mate if you don't wanna do it that's cool. You know always ask but -

BC Yep.

Paul - they're my family mate you know what I'm saying.

BC He wants to turn that way and by the looks -

Paul Yeah this guy's a cock. We're gonna go straight, they will ley us in. First right through this UI. Oh you're fuckin' kidding me aren't ya?

BC I was gonna say fuck UI, it's ten to five.

Paul Peak hour again, this happens to you and me every fuckin' time.

BC I don't think this is the first time we've been caught in traffic like this though.

Paul Oh that's why 'cause this one's a turning lane as well.

BC Oh, yeah this is, I've been caught here before -

Paul Fuckin' both of 'em turn.

BC - in me fuckin' truck.

Paul Fuck.

BC And um the cunts wouldn't let me over.

Paul Yeah.

BC I'm in the truck with the indicator on the cunts wouldn't let me over and we're doin' like fifty k' an hour -

Paul I didn't realise that.

BC - I just start comin' over.

Paul Yeah in a truck.

(background radio/voices)

Paul Why Shaddo Hunter man?

BC Shaddo?

Paul Yeah.

BC Um, oh my dog his name's Shaddo but I've had like that name for ages -

Paul Yeah, yeah.

BC - you know and I just changed the spelling of it ah and Hunter was just fell there one night -

Paul Yeah just -

BC - not long after I got back from fuckin' Queensland just sitting there talkin' to Trace and we were talkin' about it and everything -

Paul Yeah.

BC - and it's just like I heard Hunt or something like that on the T.V. or the radio and I've gone Hunter.

Paul Hunter.

BC Shaddo Hunter.

Paul Yeah.

BC That fuckin' flows nicely and Tracey's *yeah I like that*. So that's how I became Shaddo Hunter. It was just going to be Shaddo Nunya.

Paul Nunya?

BC Yeah.

Paul What's Nunya?

BC Nunya business.

Paul That's fuckin' very cool. That's fuckin' funny 'eh.

BC That's why my nickname ah my middle name's Nunya.

Paul Yeah. That's fuckin' cool. Ah, you're a fuckin' funny bloke.

BC Suppose I could have it as me first and last name, N-Unya.

Paul Yeah.

BC Nunya.

Paul That's right.

BC What's that? Nunya Nunya. N-Unya Nunya and then Business. Nunya Nunya Business.

Paul Yeah, yeah. Oh fuck. Oh this is the most fucked up road I've ever seen.

BC It is.

Paul Should've cut through Subi and gone up through that way. Oh we're fucked in this lane dude. You reckon a Perth driver will let me in?

BC Nah.

Paul Guarantee it.

BC I don't know if anybody turning here. Thanks mate. Yeah it's a fucking, why have two turning lanes and just -

Paul Ah, mate W.A. mate. Who knows. Who fuckin' knows. Wait a while mate.

BC Yep. Wait a while, waiting always.

Paul Yeah. Wah.

BC Wah, wah.

Paul Ah fuck mate I fucking hate traffic hey.

BC This is when you need a chopper.

Paul Can you park there? Sweet.

BC Um Monday to Friday until five thirty. The ticket metre's five thirty so after five thirty you don't need a ticket.

Paul Sweet, that'll do us I reckon.

BC I wouldn't worry about putting one in, only ten minutes UI.

Paul I got a coin, I won't worry, who gives a shit, knowing my luck.

BC You only need ten minutes.

Paul Pay it anyway man, it's only coins I got 'eh. Geez.

BC It's three dollars, ten.

Paul What?

BC Ten cents, it says three dollars ten.

Paul Did it give you a ticket at all?

BC Nah, ten cents give you another fuckin' eight minutes.

Paul So it didn't give you a ticket at all?

BC I can put it in if you want.

Paul How long did you get?

BC Twenty past or eighteen past or somethin'.

Paul What's the time now?

BC Twenty past, so -

Paul Fuck it. Don't even worry about it mate. So that doesn't, oh don't worry about it. Um, and that doesn't even give ya, that's dumb isn't it. Yeah just be honest with him mate fuckin' tell him.

BC Yep.

Paul Don't stress dude 'eh.

BC Did he get that, tell him about Jason first?

Paul Oh fuck yeah. Yeah I will.

BC Fuckin' cold.

Paul Mate I reckon it was cold this morning hey

BC I got up and put me bird out and almost didn't go back to bed because it was nice and warm on the verandah.

Paul Yeah right. Really, out there?

BC Out in the sun.

Paul Oh yeah, yeah. In the sun.

BC When there's no breeze, it's cold inside the house with all the curtains and that.

Paul Yeah, yeah, shit yeah dude. Yeah man all we ask is for fuckin' honesty 'eh.

BC Yep.

Paul So, just tell him the truth and who gives a shit mate. No I've talked you up anyway so fuckin' everyone knows that you're a good bloke man so.

BC Yep.

Paul But if I didn't think you were a good bloke you wouldn't be running with me you know so. Because I've got everything to lose otherwise you know.

BC Yeah.

Paul I'm a good judge of character I reckon. Jeff must be there. Whoo. How you going boss?

Jeff Hello boys.

Jeff How are ya mate?

Paul Yeah good to see ya.

Jeff Look at you all trimmed up.

Paul I know, ha ha.

Jeff You look about five years younger mate.

Jeff Hey did you get the um, smokes?

BC Yes thank you very much.

Jeff No it’s a good score someone did a good job the other night mate and I hate to admit it but you popped into my head.

Paul Ha ha ha.

Jeff And I thought the young fella could do with some smokes.

Paul Fuck how much different does he look.

Jeff What, what’s the go?

BC Ah a bit of a rash underneath so I just got rid of it –

Jeff Yeah.

BC - and clean the rash up and then grow back.

Jeff Look like a decent citizen now.

Paul I know.

Jeff Can’t be having that.

Paul Are these ours boss or?

Jeff Yes jump in boys.

Paul Cheers ‘eh.

Jeff Traffic bad?

Paul Oh you should have seen it.

BC It took us half an hour to get a hundred metres.

Jeff Yeah I know down the bottom mate UI

Paul Oh honestly we couldn't, so I rang um Cass 'cause I was meeting her in um –

Jeff Yeah.

BC Leederville.

Paul - in Leederville yeah and ah and I just said oh listen, 'cause she ah, I don't know something was going on with one of the girls but she said no problems but she just wants to go and have a talk to her so.

Jeff She's um, she's never like this, two sugars in there already -

BC Yeah.

Jeff - um she's always good as you know Paul so -

Paul Yeah well that's what I was, yeah -

Jeff - mate that's fine.

Paul - I just –

Jeff That's what I said yesterday she's never –

Paul - mmm.

Jeff - fucked us around.

Jeff Oh yep, beautiful.

Paul - and he said it's for ah, that chick has been checked out and everything seems to all right.

Jeff Good.

BC a lot of, a lot of alias's.

Paul Yeah what'd she say? Yeah.

BC a lot of aliases but not bad.

Paul Yeah.

Jeff Okay.

Paul Um -

BC Jason, he's got a silver Hyundai or Honda, he's gotta get rid of it before tomorrow morning, Jason will know what it's about.

Jeff Okay what's the go with that?

Paul - ah -

BC He didn't elaborate any more on that just ah it's gotta be gone from where it is by tomorrow morning.

Jeff Okay.

Paul And got rid of, I think it's got something to do with he knows something like they're gonna take it or somethin'?

BC Take it or somethin' yep.

Paul So it sounds like the cops are onto it but um –

Jeff Okay.

Paul - yeah so I think he wants it gone like as in like –

Jeff Oh okay.

BC And he said just ring Jason and tell him about it and he'll know.

Jeff All right I'll take care of that just um, what are you doing tonight Paul?

Paul - um I can do whatever you want.

Jeff You free? All right, I might have to give Jason a call you might have to um, have to work on that car.

Paul Yeah.

Jeff And you might need a hand.

Paul Yeah no worries.

Jeff All right I'll let you know but you're right to do it?

Paul Yeah no worries, whatever you want.

Jeff Yeah okay. I'll give you a call to sort it out.

Jeff Yeah okay yeah. It's during such a beautiful sunny day too you've gotta come along with –

Paul Exactly what I said to Shaddo I was like fuckin' hell.

Jeff Such a beautiful day boys.

Paul Yeah it was good.

Jeff And now ya -

Paul Um –

Jeff - yeah oh we can solve that, that's not a problem we can do that, but just um, I'll give you a call –

Paul - yeah.

Jeff - let me speak to Jase, see what he's doing.

Paul Yep.

Jeff UI all right?

Paul Yeah. The only other thing is, um what Craig said I've told Shaddo not to fuckin' worry but -

BC Brett's come up with a flag in Queensland, a subpoena for -

Paul - you know how his real name's Brett.

Jeff Yeah.

BC -for Coroner's Court.

Jeff Yeah.

BC In Queensland.

Jeff Yeah.

BC Ah it's about the Daniel Morcombe disappearance. The boy that disappeared, you know.

Jeff Yep.

Paul I don't know.

BC I was living in the area where Daniel Morcombe disappeared.

Jeff Yep.

BC So I'm one of their suspects.

Jeff Ok, um -

BC When I went over to Queensland last time that was just before, Joe and all that I met Joe, on the plane back from there. And um I was told that it was all sorted and dealt with back then so, that's why I haven't mentioned anything about it to you.

Jeff - um, so what's waiting there for him?

BC There's a, there's a subpoena.

Paul Subpoena or something.

BC To, and he said don't worry about it, it'll all be sorted.

Jeff Right.

BC And he's going to speak to you about it on Saturday or Sunday.

Jeff Well I appreciate you being honest with us, um as I've always said from the start Shaddo, you know, we and me, the best way to work is honesty okay, um I'm not about judging people –

BC Yep.

Jeff - I'm about getting the job done and getting on with life and having a good like okay.

BC Yep.

Jeff Um, we've all got a task to do so I appreciate you being honest that's what I mean, don't feel you can't tell us these things because at the end of the day, probably nothing I haven't heard before or whatever you know what I mean –

BC Yeah, yeah.

Jeff - don't stress about that. I'll speak to, Craig and find out exactly what it's about –

BC Yep.

Jeff - and what's going on all right and I know Paul would have told ya and you say you had a talk to Paul?

BC Yeah just today –

Paul Yep.

Jeff Okay.

BC - just about like –

Jeff Don't stress all right.

BC - yep.

Jeff Um, let me speak to Craig, let me find out the ins and outs of it –

BC Yep.

Jeff - and just see what we can do but leave it with me and ah see what we can do from there.

BC Yep.

Jeff All right?

BC Not a problem.

Jeff Well mate as I said to ya, Shaddo at the end of the day the way, and Paul will vouch for this, honesty is what we UI to that's what bonds us together.

BC Yep.

Jeff Um and we can pretty much well resolve most of them okay, but let me speak to Craig and ah I'll find out what the guts of it is.

BC Yep.

Jeff But don't stress about it.

BC Yep.

Jeff Okay. We'll work the right things so don't worry. That's what it is.

BC Yep. He said it's a subpoena for um, for the Coroner's Court and that's the only thing it could be would be that so –

Jeff Here or there?

BC Over there, over east.

Jeff Over there.

Paul Did it happen here or over there?

BC No it happened in over east so –

Jeff Okay. All right. Yeah.

Paul Mate as I, and, well Jeff.

BC Oh the subpoena's coming under, under Brett anyway it doesn't, like subpoena I don't get arrested or anything it's just they pay for my, my ticket, jump on a plane they pick me up the airport take me to a motel fuckin' shout me a motel room and fuckin' fly me back. But um, any subpoena that comes over will be null and void if it's in Brett Cowan anyway so –

Jeff It'll be what?

BC - it'll be null and void if it came over as Brett Cowan.

Jeff Okay.

BC Because it's legal paperwork so my name isn't Brett Cowan now I'm Shaddo Hunter.

Jeff Right. I'll speak to Craig but –

Paul Because it, yeah-

Jeff - what?

Paul - oh I don't know, yeah, I don't know how it works.

Jeff Yeah I'll have to speak to Craig about that.

Paul That's why it needs to be sorted.

BC Because I'm well I'm –

Jeff Not across all that mate, I'm pretty sure...

BC - like um that, that bloke that flew and killed that Puddy or whatever it was you know and then he flew to South Australia and then up to Darwin and everything, they got one of his names wrong -

Jeff Yep.

BC - and that, it's not a legal –

Jeff Like a -

BC - it's not a –

Jeff - so what's it for, to go to court is it or is it?

BC - it's a subpoena to go to Coroner's Court.

Jeff Okay.

BC To um - (Phone rings)

Paul Just answer it mate if you have to.

BC - I don't know who that is so um can wait.

Paul Yeah I do the same.

BC This is more -

Paul Oh don't know.

BC - this is more important.

Paul Yeah.

Jeff Right.

BC Um, because I was living in the area, I lived within a thirty kilometre radius or whatever it was when ah he went missing -

Jeff Yeah.

BC - um, but I've got an alibi, they've been through it all, even the Police last time because I was gettin' hammered at the start of it –

Jeff Okay.

BC - living in the area.

Jeff Yep.

BC - um, and then 'cause I've given them, I've tell 'em where I was, what time I was home, I picked up a mulcher and all that sort of stuff –

Jeff Okay.

BC - and yeah, so I don't know because I was told last time that would be, that was it, so I don't know what -

Jeff so the reason you didn't tell us was because UI is that UI.

BC The reason why I didn't say anything because yeah well I thought it was all, all over and dealt with like, when youse took me down south I knew that fuckin'

that'd all come up and you'd know all about it and that, that worried me a little bit.

Jeff Well as I said mate you're being honest now and um, I'll have a word to Craig and just find out what the guts of it is -

BC Yep.

Jeff - all right so leave that with me.

BC Yep.

Jeff - um, don't stress mate we will work through it, I'll find out what it's all about first and what the whole story is and then we will work through it from there.

BC Yep.

Jeff But like as I said to you mate I appreciate you being honest. Now um, it looks like this, this big job going ahead. Are you right to, to work on it?

Paul Yeah, fuckin' oath yeah, yeah no worries.

Jeff How about you, you going okay?

BC Yep. UI.

Jeff You happy to keep, you know boxin' on with the work?

BC Yes, yep.

Jeff No problems at all?

BC Nope no problems with work.

Jeff All right. Mate as I said to you today, I'm hearing good things, Paul's saying good things about you, um and I think I've told you the other day but I'm not a hundred percent sure you know, you're good and we're happy but you're not there yet –

BC Mmm.

Jeff - you know what I mean so just don't um just don't forget that, that's what I am trying to say–

BC Yep.

Jeff - okay just UI.

BC UI baby steps first so.

Jeff Yeah exactly but um, are you happy to keep working?

BC Yes mate.

Jeff All right and if a spot comes up on a big job are you happy to –

BC Yep.

Jeff - all right. Oh well that's –

Paul I've told him not to stress I mean the stuff you've sorted out and mate he sorted shit out for me as well so don't, and I've vouched for you man and I reckon I am a good judge of character dude and you're a mate you know, and um there's nothin' they can't sort out UI.

Jeff But don't stress –

Paul Yeah.

Jeff - let me speak to Craig let me find out the guts of it all, let me get the, the whole story –

BC Yep.

Jeff - from him what he's got, what's coming whatever it may be and then I'll talk to you later but don't stress okay –

BC Yep.

Jeff - at the end of the day you've been honest with me and I appreciate that and um mate we can work UI so don't worry.

BC Yep.

Jeff Okay. And um, you look better without UI.

BC UI like fuckin' so much of a devo any more.

Jeff Model citizen. Would you go that far? Maybe not. All right.

Paul None of us are.

BC One step off of it.

Paul Yeah.

Jeff Everything going okay Paul?

Paul Um yeah good, good.

Jeff All right.

Paul Yep.

Jeff Craig was okay today?

Paul Yeah he was really good, just fuckin' no worries.

BC He was nodding off when we pulled up.

Paul Yeah he was falling asleep in the sun.

Jeff He was having a gonk was he?

Paul Yeah in a fuckin' police car mate.

Jeff Was he? Ah god love him mate.

Paul I said to, I said to him about drinking coffees and shit so, but um no everything's good mate. So it's all going really good.

Jeff Yeah. Um that thing with Cass she's always good so just sort it out tomorrow UI.

Paul Yeah I didn't think you'd be pissed off, just yeah she couldn't get through that traffic.

Jeff Um and these are good I will have a look at these.

Paul All right.

Jeff Um as I say just with Cass just look into it tomorrow like just give her a call and get the cash off her tomorrow.

Paul Yep. You going on holidays?

Jeff Yeah actually I'm thinking about it.

Paul Yeah nice.

Jeff Yeah I'm thinking about it mate.

Paul San Fran.

Jeff I haven't been to Canada yet.

Paul Canada?

Jeff I haven't been there.

Paul Mmm. Nice.

Jeff And um tonight I'll give you a bell –

Paul Yeah.

Jeff - with just the ah couple of hours mate -

Paul Yeah no worries.

Jeff - helping out the big fella.

Paul Yep.

Jeff I'll give him a call in a minute.

Paul Yeah cool.

BC That seemed pretty urgent.

Paul Yeah he wanted it done.

Jeff Did he?

BC Yeah Chris was saying, ' it's like pretty urgent get rid of it', do whatever it was to get rid of it but have it gone by tomorrow morning.

Paul Yeah so it needs to be done.

BC Yeah he was pretty like, yeah.

Jeff Was he?

Paul Oh he's definite yeah it's gotta -

BC Yep.

Paul - 'cause he, like from what I can understand the coppers are gonna grab the car tomorrow

Jeff Yeah.

Paul So yeah.

Jeff Okay.

Paul So it needs to be done pretty well, that's how, I don't know if you understood it like that.

BC Yeah I thought something's gonna happen with the car whether it's the coppers or something like that.

Jeff Well I'll take care of that boys I'll give him a call in a minute.

Paul Yeah.

Jeff UI.

BC It's a silver, I can't remember whether it was a silver Honda or a silver Hyundai. But it was silver.

Paul I know he said Jason knows about it though.

Jeff Yeah I'll give Jase, I'll give the big fella a call.

Paul Yeah.

Jeff See what he's up to and see what the go is.

Paul Yeah I'm sure he'll, you know what he's like with cars he'll be fuckin' –

Jeff He'll be all over it mate he'll have VIN number, the model, the wheel size –

Paul How much it weighs.

Jeff - Donk this and that and I'll be going no worries.

Paul All right.

BC UI.

Paul Yeah that's right yeah. Yeah.

Jeff Nah we'll get to that. That's only a minor hurdle.

Paul Mate I just thought we'd come and tell ya because I know you like to know.

Jeff Yeah I'm glad you told me.

Paul And I didn't wanna say it over the phone so.

Jeff No, I appreciate that.

Paul Yep.

Jeff UI.

Paul And Shaddo can tell you yeah.

Jeff Yeah.

BC You know that's what I said to Paul about Paul had found out to come and see you anyway so.

Paul Yeah.

BC I just wanted to show this off.

Paul Yeah show, show the clean look.

BC I just wanted to walk up and, *who's that with Paul?*

Paul Yeah, who's that young bloke?

Jeff Um, all right I appreciate that Paul that's um –

Paul Yeah no worries. I've told him no worries like.

Jeff Yeah I mean, like I said to ya and Paul will talk to ya and I'm sure he has talked to you, mate we applaud the honesty okay so don't stress about it.

BC Yep.

Jeff All right let me speak to Craig let me speak to our boys and see what we can do and um, don't stress.

BC Yep.

Jeff Okay. I'm not gonna change things so don't worry, it's all good. We'll just have a look at it and see what we can do, see what it is and get back to ya. Um the car thing is a minor hurdle mate I'll take care of that tonight, Cassie tomorrow and just pick up some cash.

Paul Yep.

Jeff But this I'll look through tonight mate that's it.

Paul Cool.

Jeff Life's good.

Paul All right.

Jeff Too easy boys.

Paul No worries.

BC There's other stuff in there too, he didn't go into it.

Jeff In here?

Paul Yeah I don't know.

BC Some other stuff.

Jeff Yeah I've asked him so that'll be in there.

Paul Yep.

Jeff But what was he saying about her?

BC Ah she's got a few alias's um –

Paul But she was okay or something.

BC - she was okay.

Jeff Okay.

BC Yeah.

Paul Whatever that is.

BC But the information's in there so.

Jeff All right boys.

Paul Yeah, cool.

Jeff Um –

BC And my, my stuff he's got flagged he said.

Jeff - who yours?

BC My stuff he's got flagged, so it comes to him.

Jeff Yeah okay I'll speak to him about that, give him a call maybe tonight and speak to him about it and see what he has put in place for it.

Paul Even if they know that Shaddo and Brett are the same –

Jeff Yeah I'll speak to him tonight and find out what he's got in place and what, what they're across okay so then I'll know what to do with it from there.

BC I was told when I changed me name that the police like the police forces would know about it, so but if they've just gone to their files and just gone oh well Brett Cowan we just want another affidavit for him and they've just put it as Brett Cowan well I'm legally not Brett Cowan any more so.

Paul Yeah that's, which is good.

Jeff Mate I'll speak to him and just see what ah, you know where it's, what they've got in place and what we can put in place. Okay so don't stress all right.

BC Yep.

Jeff Um, just leave it with me and I'll see what we can do, we can work some miracles mate.

BC Yep.

Jeff All right.

BC Well I'm not worried about that over there anyway –

Jeff Yep.

BC - 'cause I know I had nothing to do with it so, that's no skin off my nose.

Paul He's definitely worth looking after I'm telling ya boss I fuckin' vouch for him every day of the week.

Jeff Yeah. Yeah I know Paul I just have to think about it mate but ah that carries a lot of weight with me.

Paul Yeah.

Jeff Because you know how you sit with me. Um and if he vouches for you mate you must be doing something right.

BC Yep.

Jeff Because basically he's ah, he's trusted by me a hundred percent mate I wouldn't um –

BC Yep well I said to him the other day on our trip back, I said like if we got pulled over with something like that in the car –

Jeff Yep.

BC - I'd put my hand up for it saying you picked me up as a hitchhiker that way he's free to get in touch with you –

Jeff Okay, yeah.

BC - to get everything else sorted.

Jeff Smart.

BC Sorted so you know it's just like, instead of both of us getting taken away, it's only me.

Jeff Yep, that's smart thinkin' mate it's a good team player as well that's what we like.

BC Yep so, I've got no problem with, with that like I know how to say and that, get me a solicitor.

Jeff Yeah okay. All right mate as I said it was a beautiful sunny day today, and you haven't brought any rain clouds over me so don't stress okay.

BC Yep, cool.

Jeff Because if I'm not stressed then you don't need to stress.

BC Beauty.

Jeff All right. As I said I'll speak to our people –

BC Yep.

Jeff - and don't stress about it.

BC No worries.

Jeff And if we need to talk to ya, I'll have a yarn to ya.

BC Yep.

Jeff I'll get Paul to come and grab ya.

BC Yep.

Jeff But there's nothin' that um, I won't say there's nothin' we can't fix but pretty much we'll make we'll work across a lot of things.

BC Yep.

Jeff So leave it with us, we'll have a look at it, I'll see what they've got, see what's in place and take it from there. But, you didn't rain on my day.

BC Yep.

Jeff So we're –

BC Well Chris said there was nothin' to stress anyway.

Paul No, Craig.

BC Yeah Craig yeah.

Paul The copper.

Jeff I was wondering who you were calling Chris I'm thinkin' who –

Paul Who –

Jeff - is anyone else –

Paul Yeah.

Jeff - what's going on here boys.

BC It's a C, it's a C-name.

Jeff When you said at first I'm thinking I'll let that slide –

Paul Yeah.

Jeff - then I'm thinkin' hang on has he dumped another name on him or something?

Paul No, no, no, no, nah. Nah.

Jeff All right. You're trying to catch me out aren't ya?

BC Yeah.

Jeff Okay. Um yeah so just tonight Paul.

Paul Yeah cool.

Jeff A couple of hours mate.

Paul All right.

Jeff And that'll be it.

Paul Yeah.

Jeff And um, this work, big job's coming up there's a lot more work as well so –

Paul Yep.

Jeff - if you can't do it let me know so I can put other things in place and same with you –

BC Yep.

Jeff - all right if Paul rings you and you can't do it or you don't wanna do it just let him know okay.

BC Yep.

Jeff Just speak up.

Paul Yeah.

Jeff And I can put things in place but if you don't speak up and you don't tell us things it just makes it a bit harder for us to work –

BC I've got an appointment on the sixteenth of this month in the am and that's the only thing that's, to do with um Centrelink so –

Jeff Okay.

BC - it's the only thing I've got this month.

Jeff So what are, Centrelink what were you doing there?

BC Um I'm still on um sickness benefits.

Jeff Okay, yep.

BC So I'm getting a, my next report date not until October so as long as I get a medical certificate between now and then so say –

Jeff Right.

BC - that I'm still unfit for work.

Jeff And obviously um you're not declaring what you're doing here as income are you?

BC No.

Jeff Ha ha ha.

Paul No.

BC Be on the dole UI.

Paul He's smarter than that.

Jeff Um just remember okay that ah as more and more work comes on board okay you're gonna get used a lot more –

BC Yep.

Jeff - you're gonna be privy to a lot more things okay, Paul vouches for ya as I said that carries a lot of weight with me.

BC Yep.

Jeff Um and with that it's more and more work. Okay not saying you're going to get it all the time, not saying you're there yet, not saying that but what I'm trying to get at is that we don't talk.

BC Yep.

Jeff Okay we, well like with the cameras when I asked you about the brochures and that with your mate and everything else well we keep everything very quiet.

BC Yep.

Jeff So we get by.

BC Yep.

Jeff Okay. But between us, we talk.

BC Yep.

Jeff You know what I mean he, I know everything about him, and like that's how it is.

BC Yep.

Jeff And that's how I look after the people and people look after me and it flows down from there okay. Um and we prefer honesty.

BC Yep.

Jeff Because it's nicer to know what's happened than to get blindsided.

BC Oh well if I had've known this was coming I would've said something earlier.

Jeff Yep.

BC But I thought it was all home and hosed so –

Jeff Yeah oh okay. Well that's what I mean you found out today –

BC - yep.

Jeff - you've spoken to Paul and you've come here mate and that's good enough okay.

BC Yep.

Jeff You're up front and that's what I appreciate.

Paul Cool.

Jeff Sweet.

Paul No worries all right well um –

Jeff Good luck with the traffic.

Paul - yeah I know. I'll go drop Shaddo off and then I'll just wait for you to call me.

Jeff Yeah it'll be later -

Paul Yeah cool.

Jeff - um you know later, later.

Paul Yep.

Jeff And ah UI.

Paul Yeah no worries.

Jeff As I say just tomorrow if you just get that off Cass.

Paul Yep.

Jeff Um no dramas she's cool, but just tee it up tomorrow sometime.

Paul Yeah, yeah no worries.

Jeff As long it's done before the weekend.

Paul Yeah cool. All right.

Jeff All done.

Paul No worries all right thanks boss. All right man cool.

Jeff See ya guys.

Paul Okay.

Jeff UI.

BC Like the clean look.

Paul All right see ya.

BC The baby face.

Paul Told ya man. It's just better that he know 'eh.

BC Yep.

Paul I tell ya there's nothin' they don't fix man. Nothin'.

BC That's like when they were, the coppers were still questioning me about it when it first happened –

Paul Yeah.

BC - and I was getting jack of it 'cause I was going over the same shit over and over –

Paul That's what they do.

BC - and I just turned around and said to them and I had me old man with me the last time, and they were in fuckin' homicide squad in Brisbane and I just turned around and said to 'em *this is the last time, that's it -*

Paul Yeah.

BC *- if you ever want to speak to me again you only arrest me for it.*

Paul Yeah, just fuck off.

BC You know, take me to court, fuckin' –

Paul Man, I've done shit you know fuckin', cleared me man so, you know who gives a flying fuck mate I'm telling ya. You know how they make things disappear? They really make things disappear man.

You just gotta be honest when Jeff, Jeff will work it out but even then if he asks you anything about it just fuckin' tell him 'eh. That's what he did for me, I just told him everything, and fuckin' gone.

BC See I would've brought it up earlier if I knew there was anything about it –

Paul Yeah yeah.

BC - you know still in play.

Paul Yep.

BC At first I was sus on Joe.

Paul What do you mean?

BC I thought he was a reporter. Put on the plane to talk to me.

Paul Yeah? On Joe who we fuckin' –

BC Yeah.

Paul - no fuckin' way mate.

BC Ah well I worked that out pretty quick.

Paul Yeah.

BC You know but it was just like it was a bit sus I'd just walked out of um the Coroner's Court and shit –

Paul Yeah.

BC - I had to wait four hours for the plane –

Paul And then –

BC - this bloke sits beside me on the plane and starts talkin' and that –

Paul - seventeen forty-six. No that dude couldn't be a reporter he can't fuckin' barely read and write man. Oh we was good, he's a good worker -

BC Yep.

Paul - but he, you not, he's got nothin' on you man, nothin' at all 'eh.

BC Yeah well that spun me out a little bit too with what I, knowledge and shit –

Paul Yeah fuckin' oath dude.

BC - you know but I –

Paul But he his a friendly dude 'eh –

BC - yep.

Paul - he'll just talk so, but as, man, I don't know man like there's fuckin' don't even, I can see you're a bit worried even then, don't even fuckin' worry about it man, honestly I, I'm your mate and I don't give a fuck, Jeff's your boss and he ain't gonna give a fuck.

Paul Yeah. And yeah don't fuckin' even think about it man, and there is nothin' they can't, like I had a load of shit man and it fuckin' disappeared man, so because they knew that I was good for their business you know.

BC Yep.

Paul And they, they can do anything anywhere over this fuckin' country man.

BC Yep.

Paul So, I mean I'm talkin', the coppers had shit on me and it disappeared.

BC Yep.

Paul So fuckin', who gives a fuck you know. You just gotta be honest with them man 'cause as he said then they know what they're working with -

BC Yep.

Paul - and then they can fix shit.

BC Yep.

Paul 'Cause it's a business to them mate, you gotta remember that it's a fuckin' business. Like they don't give a fuck you know it's like if you're workin' in a factory your boss doesn't give a fuck what you do on the weekend.

BC Yep.

Paul You know or what you did fuckin' ten years ago, so same for them, and we need a fuckin' background like we got or we wouldn't be doing this shit you know.

BC Yep.

Paul But yeah man I don't, I don't -

BC I know now I'm not as straight laced as what I look.

Paul - yeah that's right. And I don't know what you've done man and fuckin' I don't even know what it's about to be honest fuckin' and whatever man to be honest so fuckin', yeah. I just don't want you to be worried mate 'cause I saw it in your eyes man you're fuckin' worried.

BC Oh I'm, gonna be a little bit.

Paul Hey?

BC I, I know you're saying don't worry about it but it's still gonna be just in the pit of me stomach.

Paul Yeah, yeah, yeah. Yeah but don't man.

BC I look at it like this, the worst that can happen from it is I don't have, get a phone call from you again.

Paul Yeah.

BC That's the worst thing that can happen.

Paul That ain't gonna happen mate. They'll make it go away. I'm, tru-I'm telling you brother all right.

BC Yep.

Paul I'm fuckin' telling ya man, they'll make it go away.

BC Cool.

Paul So, you just gotta be honest with them, tell 'em everything and fuckin' whatever. It'll fuckin' disappear man. I know he's a fuckin' mean lookin' dude and all that he's actually a real good bloke. I'm sure he, I don't know what he's done in the past but I'm sure he's done shit as well you know.

BC Yep.

Paul Just like the rest of us man. Otherwise mate if weren't we wouldn't be doing this we'd be lawyers or fuckin' doctors or somethin' so. Which is the best way you reckon? Go straight through 'eh?

BC I don't know, from here.

Paul Um, I was trying to avoid the city but I've fucked it a bit.

BC What's the time? It's almost six o'clock so the traffic through the city -

Paul Yeah.

BC - should be just about fucked.

Paul Mate if you want, yeah I mean well, they, the boss will get it together man I mean he didn't even seem to care mate.

BC Yeah.

Paul Even if you knew, they'll look into it mate and sort it man, and they don't care what it's about or what they're saying you've done or nothin' like that man fuckin', don't even stress about it mate.

BC Yep, well I know I've got no like, especially not that but I've got nothing on my conscience.

Paul Yeah.

BC You know, to worry about -

Paul Yeah.

BC - with stuff that I've done.

Paul Yeah.

BC You know.

Paul Mate just 'cause for me too, you just gotta be honest with them and tell 'em everythin' because they don't want anything comin' back on us as a group -

BC Yep.

Paul - and also that'll come back on me 'cause I've invited you, you know.

BC Yep, oh they don't want, excuse me, like if they ask me somethin', because I didn't say nothing, you know it's detrimental to what, excuse me, what we're doing in a way.

Paul Yeah, exactly man, it's all about fuckin' the truth mate.

BC Oh crunch.

Paul Oh fuckin' hell. He ducked out of there quick didn't he, holy shit.

BC Ha ha ha, crunch.

Paul I didn't know if that was gonna hit.

BC Oh.

Paul How quick did he turn man?

BC Oh he was going over to pick somebody up -

Paul Yeah.

BC - you know and that bus was gonna fuckin' crunch him.

Paul Fuckin' straight into him.

(background radio/music)

BC They mustn't have any feeling 'eh these sheilas.

Paul The weather. Wearing a little skirt like that it's fuckin' amazing isn't it.

BC Like when we were in town the other night the ones with boob-tubes and fuckin' -

Paul Yeah I know and it's like two degrees man.

BC Wonder how much power that's wasting changing the colours on all those lights?

Paul Yeah I know. Yeah that was insane that.

BC Yep. As soon as I heard it you know I thought -

Paul Sus?

BC - there's no bomb in that fuckin' briefcase and she's got something to do with it.

Paul Yeah. They all died did they?

BC Yeah. I'd never heard of the rock machine until I got here.

Paul Yeah I hadn't either, I thought it was a rock band man.

BC Yeah, oh you were saying that yeah.

Paul Fuckin' um, I don't know why they draw so much attention to themselves 'eh I just don't understand that man.

BC They're always going to draw attention to themselves -

Paul Yeah but -

BC - UI.

Paul - but if you acted like that like fuckin' hell. But I don't know how big their business is but I doubt it's bigger than ours and fuckin' we don't draw any attention to ourselves. This big job should be all right though.

BC Every time I see Jeff it sounds like more and more that I'm gonna have a hand in this one.

Paul I reckon you'll definitely have a hand in that. From what I'm hearing. For sure man. Yeah this shit what happened today won't affect that man.

BC Pardon?

Paul This shit what happened today you know -

BC Yep.

Paul - because they'll clear everything up mate and you'll still be involved in it mate. It's up to Arnold it's not up to me mate but um -

Paul Yeah. No worries dude. Thanks for comin' out. Pretty easy day we didn't even get to fuckin' Cassie today.

BC Well if you need me in the mornin'.

Paul Yeah actually, yeah fuckin' oath that's, I didn't even think about that. There's um two hundred man.

BC Cool, let us -

Paul Take ya darbs yeah.

BC - let us know tonight if you can and -

Paul Yeah fuckin' oath.

BC - then I'll meet you in there early in the morning.

Paul Yeah, yeah, yeah man.

BC If you need me.

Paul Yeah just don't fuckin', I saw it in your face today 'eh don't stress brother.

BC Yeah.

Paul And I won't let nothin' happen anyway, so -

BC Yep cool.

Paul - mate I'm your boss, Jeff's my boss and there's nothin' they can't sort out dude so don't fuckin' stress. And I'm talkin' about the past's the past man and if they fuckin' ask you somethin' just fuckin' tell 'em who gives a fuck you know.

BC Yeah.

Paul Shit disappears and um mate they got rid of shit for me brother and I'm fuckin' tellin' ya it disappeared and I was sweet man.

BC Yep.

Paul And if they do need to send you away for a little bit who gives a flying fuck while they sort it out.

BC Well that's, you know well, if I've gotta disappear I've gotta disappear you know.

Paul Just while they sort it out sorta thing you know.

BC As long as I can contact me parents at least once a month that's all I care about.

Paul Yeah man it's just a phone call from a public phone or somethin'.

BC It's me, hi mum and dad how you going?

Paul And they look after and give you a call you know you got money and we'll get you cards under different names and shit -

BC Yeah.

Paul - or you, you've seen all the shit we can do man so -

BC Yeah.

Paul - don't even, don't even fuck, and I don't give a fuck man.

BC Yep.

Paul I do not give a flying fuck dude.

BC Yep.

Paul I think you're a good bloke man so, and yeah just don't stress mate just be honest with 'em so they can sort shit out that's -

BC Yep.

Paul - that's all I ask as a mate 'cause that's what I -

BC Yeah well if I thought I would've mentioned something sooner if I thought it was gonna come up again.

Paul - yeah that's cool but –

BC And when me name was asked for it was like, mmm, should I say something it's like no there's nothing, it's the past they just -

Paul - yeah.

BC - they'll know, if they need to know more they'll ask me or -

Paul Yeah, yeah.

BC - I just won't get a phone call again.

Paul Yeah.

BC That's the way I've always looked at it the worst thing that can happen to me is I don't get a phone call.

Paul Yeah, but you know, you know a lot so um yeah, and we just -

BC Yep.

Paul - that's why I want you to be honest with us so.

BC Yep.

Paul So and don't, like we're not the sort of dudes that get pissed off you know like fuckin' you know -

BC Only if you bullshit.

Paul - yeah, unless you fuckin' lie dude.

BC Mmm.

Paul 'Cause then it comes back on all us.

BC Yep.

Paul So, I mean 'cause I, I don't know what they're saying what you've done or and I really don't give a flying fuck 'eh.

BC Yep I -

Paul So um and yeah I really personally don't give a fuck like, like you don't give a fuck what I've done man so -

BC - yep.

Paul - um yeah but they, they will need to sort shit out.

BC Yep.

Paul Let ‘em do what the bosses need to sort out and fuckin’ that’s it man.

BC Yeah well as Jeff said if they need to know any more they’ll ring you to ring me or -

Paul Yep.

BC - he’ll just ring me direct to meet him up or something like that.

Paul Yeah sweet man. I mean even if fuckin’ you know even if it’s the middle of the night and I gotta ring ya or whatever fuckin’ who cares man you know.

BC Well you know I answer me phone so.

Paul Yeah, yeah that’s right so -

BC Unless it’s a number I don’t, it’s just like the first one was Deano sending me a message it’s just like fuck off.

Paul - yeah I’m working man.

BC Oh it’s just like I don’t know that number -

Paul Yeah.

BC - and I’ll, busy at the moment.

Paul Yeah.

BC What we were talking about was more important than -

Paul Yep.

BC - answering any phone call.

Paul Yeah fuckin’ oath.

BC So -

Paul And I’m telling ya man there’s nothing they can’t sort out, nah, that’s what makes it so fuckin’ good. But then they ask us to work for ‘em but then they look after us as well mate.

BC - yep.

Paul So but I mean you’re a fuckin’ brother dude, you fuckin’ are man so I saw it in your face today you were like *oh fuck no*.

BC It was like, my dream is coming to an end.

Paul But do you know what -

BC Yeah.

Paul - it's good man because we know and then they can sort it out but if they don't know -

BC Yeah well they don't know to sort -

Paul - and then next thing there's heat on you and then there's heat on me because I've, they know that I, do you know what I mean?

BC - yep.

Paul And because they know that I know you and then fuckin' who he knows and -

BC Yep.

Paul - and then it all turns, and you know how it works man.

BC Yep.

Paul You've done the same shit as me you know so, um yeah mate so that's it.
